RE: ML 47868-MP
DOGM Permit # S/039/009

The above numbered trust lands minerals permit was cancelled for non-payment on March 13, 2002. The Permittee no longer has any rights to extract or remove building stone in the permitted lands.

Reclamation of mined land disturbances should be performed in accordance with regulations of the Utah Division of Oil, Gas & Mining in consultation with the Surface owner, Gerald Willden.

Outstanding royalty issues with the Trust Lands Administration should be timely resolved by contacting Mr. Ron Carlson (801) 538-5131.

Please contact me if you have any questions.

Sincerely,

John T. Blake
